Sporting Women 2019

Sporting Women is funded in part through a grant from the U.S. Sport Fish Restoration Fund, the Division of Wildlife and the Ohio Department of Natural Resources.

2018 Course Offerings

.22 Rifle: Participants will learn the basic techniques of shooting a rifle with and without a telescopic sight.

Sling Shot 101: Now is your chance to unleash the kid in you or to learn a new shooting skill. Make a 21st century slingshot, to keep, and then try your hand on our carnival type shooting gallery. You're guaranteed to have fun!

Archery: Learn how to shoot compound and/or traditional bows at animal targets 10-15 yards away. Learn bow basics so you will be able to select archery equipment that meets your needs.

Dutch Oven Cooking: Don't go hungry in the outdoors! Learn how to cook a variety of recipes over an open flame or in a Dutch oven. You will learn about the types of cooking utensils, camp stoves, various foods, safety and how to build a fire without losing your cool! Sampling is a must so bring your appetite!

Fly Fishing: Learn one of the oldest forms of fishing in our stocked lake. You will acquire information on fishing equipment, local fishing opportunities and fishing rules and regulations.

Geocaching: Geocaching is a real-world, outdoor treasure hunting game using GPS enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the "treasure". With over 2.5 million active geocaches around the world this fun activity can be enjoyed by the whole family.

www.sportingwomen.org

Gold Panning: Put yourself in the shoes of the 49ers, who traveled west in search of gold. Pan for gold and keep what you find. Learn the different ways of prospecting for gold and other valuable stones in a nearby stream.

Handguns: At the end of this class, you will be able to safely shoot a variety of handguns and clean and prepare a handgun for storage. The instructor will provide a broad spectrum of information about the operations and fundamentals of shooting handguns.

Kayaking/Canoeing: Learn about styles and types of canoes and kayaks and all of the gear you need to canoe or kayak safely. You will be taught proper paddling techniques so you can paddle all day without getting tired. You must bring water shoes and be prepared to get wet as you practice your technique on the club pond.

Self Defense: Now that you've learned about all these really great outdoors activities, are you a little apprehensive about going out into the woods by yourself? Learn methods of personal protection to handle any situation in which you might feel uncomfortable.

Trap Shooting: Learn to shoot a shotgun! You will be introduced to the basics of shot gunning which includes learning the types and gauges; ammunition, chokes and loads used; parts of a shotgun, safe handling and safety equipment. Learn the joy of trap shooting.

Gourd Birdhouse: We furnish the gourds. You will do the drilling, sanding, cleaning, painting & decorating your house.
